VINIFICATION:

Method: The grapes were allowed to reach optimum ripeness.

Careful selection in the vineyard resulted in the best grapes being used for this wine. After de-stalking, yeast was added to the mash in open 10 tons fermenters. The wines were matured with oak for a further 12 months before blending. The resulting wine is a smooth blend, 53% Merlot and 47% Cabernet Sauvignon, elegantly balanced fruit flavours with a hint of oak.
